

2008 FEDERAL HUMAN CAPITAL SURVEY DEPARTMENT OF ENERGY RESULTS

The Office of the Chief Human Capital Officer has posted the Department-wide results of the 2008 Federal Human Capital Survey (FHCS). You are encouraged to review the results which are available at http://humancapital.doe.gov/resources_survey.htm or through one of the following DOE web sites:

- From the DOE Home page, click on the button “For Employees” and then click on the link beside the graphic on the subject at http://www.energy.gov/for_employees.htm, or
- From the Office of Chief Human Capital Officer Homepage at <http://humancapital.doe.gov/>, click on the button “Resources”, then on the Resources page, click on “Employee Satisfaction Surveys”.

Nearly 6,100 Department of Energy employees participated in the 2008 FHSC administered August 1, 2008 through September 26, 2008. Again, thanks to those who participated in this important endeavor to assess key areas within human capital management.
